Delver Magic Book III: Balance of Fate Jeff Inlo Ryson

Acumen finds that his time of service to the Land of Uton and its people is not yet complete. Together with Holli Brances and Lief Woodson, they must work together once more to end a growing threat and to meet their own undeniable destinies. It is not without loss or sacrifice as they struggle to battle grotesque forces of malevolence. Enemies once forgotten return to hold sway over each ensuing conflict. Under the conniving guidance of the serp Sazar, legions of dark creatures rise out of Dark Spruce Forest. Allying himself with a sorceress of power in the Lacobian desert, Sazar finds the strength to rule and turns his lustful eyes eastward. Targeting the outposts and farmlands surrounding Connel, the serp forms a dark army to bring terror to the humans. Even as Ryson and his elf friends struggle against such foes, they look to the powerful wizard Enin for aid, but the spell-caster remains withdrawn from nearly every clash. It is within him to decimate the entire horde, but the consequences of such intended actions trouble his very soul. An understanding of balance has taught the wizard more than caution, it has led him to the presence of a

being of equal power, but a creature with intentions of malice. Enin's unwillingness to interfere in the choices of individuals is born of the belief that he must allow all those around him to seek their own path. While these paths may differ, each will lead those that travel them to their ultimate fate.

Broken Ivy Logan 2019-06-26 BROKEN BUT NOT LOST The dark shadow cast by an ancient prophecy shatters an innocent family, but all that is broken is not lost and will rise again. Half-blood sorceress, Talia, had a unique childhood. Instructed in combat skills and trained to escape detection, she was schooled to face an unknown menace. Yet, when her family's worst nightmare comes to pass, Talia finds her protected life spinning out of control. Everything she believes in, and everyone she loves, is cruelly snatched away. Talia is forced to flee the attentions of a mad king and denied her supernatural legacy. She chooses the path of retribution, devoid of love and friendship, but learns that sometimes love is received even if not sought. Broken is a tale about Talia's coming of age, reuniting with her family and seeking vengeance. Most of all it chronicles Talia's rise from the ashes and her journey into finding herself again. Read Talia's epic saga of love, sacrifice,

friendship, and discovering the hero within set against a background of time travel and supernatural forces. *Once More Unto the Breach* Meghan Holloway 2019-05-14 For readers of *The Nightingale* and *Beneath a Scarlet Sky* comes a gripping historical thriller set against a fully-realized WWII backdrop about the love a father has for his son and the lengths he is willing to go to find him, from a talented new voice in suspense. Rhys Gravenor, Great War veteran and Welsh sheep farmer, arrives in Paris in the midst of the city's liberation with a worn letter in his pocket that may have arrived years too late. As he follows the footsteps of his missing son across an unfamiliar, war-torn country, he struggles to come to terms with the incident that drove a wedge between the two of them. Joined by Charlotte Dubois, an American ambulance driver with secrets of her own, Rhys discovers that even as liberation sweeps across France, the war is far from over. And his personal war has only begun as he is haunted by memories of previous battles and hampered at every turn by danger and betrayal. In a race against time and the war, Rhys follows his son's trail from Paris to the perilous streets of Vichy to the starving mobs in Lyon to the treacherous Alps. But Rhys is not the only one searching for his son. In a race of his own, a relentless enemy stalks him across the country and will stop at nothing to find the young man first. The country is in tatters, no one is trustworthy, and Rhys must unravel the mystery of his son's wartime actions in the desperate hope of finding him before it's too late. Too late to mend the frayed bond between them. Too late to beg his forgiveness. Too late to bring him home alive.

Breach of Trust Peter Birks 2002-07-05 Recent leading cases have demonstrated the urgent need to modernize the

learning on breach of trust, which has lagged behind the flourishing scholarship on the creation of trusts. Since breach of trust or fiduciary duty occupies the centre of the legal stage, it comes as a surprise that, although one or two novelists have chosen 'Breach of Trust' as the title to their book, no lawyer has so far thought it necessary to produce a specialized work on the subject. To fill the gap, this book, written by a team of leading trust lawyers from a number of common law jurisdictions, investigates all the principal aspects of the subject. The nature of the trustee's duties and of the liability for breach is closely examined, and all available defences and excuses are reviewed. Two substantial chapters consider the consequences of assisting a breach or receiving trust property from a trustee acting in breach. The book closes with a critical overview of the entire topic. CONTENTS: 1 Robert Chambers 'Liability for Breach'; 2 Joshua Getzler 'The Duty of Care'; 3 Edwin Simpson 'The Conflict of Interest'; 4 David Fox 'Overreaching'; 5 Lionel Smith 'Property Transferred in Breach'; 6 Charles Mitchell 'Assistance'; 7 Peter Birks 'Receipt'; 8 James Penner 'Exemption clauses'; 9 John Lowry and Rod Edmunds 'Honest and Reasonable Breach'; 10 Jennifer Payne 'Consent'; 11 William Swadling 'Limitation'; 12 Gary Watt 'Laches, Estoppel and Election'; 13 David Hayton 'An Overview'.

REBEL'S CREED Daniel Greene 2021-10-29 With one simple myth, nations burned. Under the Almighty, an empire has been forged, bringing peace to the once-divided continent. But now, a spark of truth threatens to ignite the religion of lies. Chapman unknowingly brought the Seventh Precinct to their demise. Now Officer Holden Sanders, known throughout the Capital City as the survivor, seeks the truth of how so many he held dear

were slaughtered. But when it comes to light his former mentor might still draw breath, the Officer of God is forced to wage war against the Almighty itself.

Safety Breach Delores Fossen 2019-12-01 Can a Texas lawman capture an escaped serial killer after a witness's location is breached? The serial killer Gemma Hanson narrowly escaped just discovered her WITSEC location, and he's coming after her to finish what he started. That's the message Sheriff Kellan Slater personally delivers. Although Gemma and Kellan share an intense past, escaping the violence surrounding them is all that matters. Especially once Gemma realizes there is no safe place—not even protective custody...

The Sonic Breach Victor Appleton 2019-07-02 The Hardy Boys meets Alex Rider in this second novel in a brand-new series starring everyone's favorite inventor—Tom Swift! Tom gets to take all sorts of cool classes at the Swift Academy of Science and Technology, but robotics may be the one he is most excited for. Their teacher is holding a battling robot tournament, and Tom has to build a machine that will come out on top. With the final battle coming up, Tom and his friends need as much time as possible to refine their masterpiece. But the rest of their teachers have been giving so many pop quizzes that they can barely focus in class, never mind concentrate on the tournament. Naturally, everyone is frustrated with the trend...until a mysterious new phone app appears. If students get pop quizzes during first period, they can warn everyone else about it by getting their phones to emit a high-pitched sound—a mosquito alarm—that adults can't hear. Tom is unsure about the whole thing, but it technically isn't cheating, right? But when someone changes the app to break all the rules, the ethics aren't debatable anymore. The longer the

perpetrator remains unknown, the more harshly teachers treat all the students, and the pressure won't stop until Tom and his friends track down the person behind the app takeover.

Reciprocity K. I. Lynn 2019-05-10 Happiness is a four letter word. I've never been happy before, never experienced love, until I met Nathan. He's my happy place, and my husband. Everything should be rainbows and unicorns, but it's not. The problem is, the past doesn't stay buried, and ours is popping up in spades. A trial. A warning. Reciprocity is at hand. The battle for survival has begun.

Breach of Power Chuck Barrett 2013 A hiker finds a journal deep inside a glacier that was lost during World War II. On its frozen pages are etched the secret locations of treasures lost since the 1940s. But something more ominous is scribed in the journal - something that threatens the Presidency of the United States. Jake Pendleton and his new partner, Francesca Catanzaro, work for an "off the books" intelligence firm and are summoned to the White House where they are instructed to locate and acquire the book. Jake soon realizes there are others on a quest to find it as well. Others who will kill to get to it first.

Delver Magic Book I: Sanctum's Breach Jeff Inlo A rolling tremor passes through the land of Uton signaling a return of long absent magic as well as an ancient evil that accompanies it. Ryson Acumen, purebred delver, senses the changes and begins his explorations to discover the source behind the upheaval. In his investigations, he learns that legends he considered fables hold more truth than fantasy. The delver encounters elves and learns the Sphere of Ingar, a talisman that captured all magical energies long ago, is

free from its tomb in Sanctum Mountain. As violent, evil creatures return to shred the very fabric of reality, the sphere gains awareness and chooses to spew corrupted magical energies to obliterate all life. The sphere must be destroyed, but it rests within Sanctum, a hollow mountain with a single path to its center. The way to the sphere remains defended by devices created long ago, forged by members of each race to thwart entry to the mountain's core. Those that wish to defeat the sphere must not only overcome these barriers, they must conquer the mistrust which has flourished during the long period of separation. Human, elf, dwarf, algor and delver must reunite to defeat the obstacles that now protect the sphere. Once inside Sanctum, representatives of each race face the secrets of the ages that once undone will change their lives forever.

Dam Breach Modeling Technology V.P. Singh 2013-11-11 Dams are constructed for economic development, and their construction involves large investments of money, and natural and human resources. Of the various types of dams constructed around the globe, earth dams are the most common type and constitute the vast majority of dams. When adam fails, it culminates in the sudden release of artificially stored water which, in turn, becomes a potential menace to virtually everything downstream. The dam failure may result in loss of life and property. In recent years, instances of dam failure in the world have been too many, and the resulting loss too high. As a result, dam safety pro grams have been developed in most countries of the world since the beginning of the nineteenth eighties. · Earth dams are more susceptible to failure than other types. The cause of failure is often either overtopping or piping. The modeling of dam breaching due to either or both of these

causes is of fundamental importance to development of dam-safety programs. This book is, therefore, an attempt to present some aspects of earth-dam breach modeling technology. It is hoped that others will be stimulated to write more comprehensive texts on this subject of growing interest and importance. The book is divided into eight chapters. The first chapter is introductory and discusses some aspects of dams and dam failures in the world.

Security Breach Evan Grace 2018-03-04 It was only one night. One night, and I was sure I'd never see her again. Fast forward six months and I'm staring into those same eyes. Only this time Delilah is my boss's daughter. But the real kicker...she's very much pregnant. Now my only goal is to stand by her, protect her, and make sure my new family is taken care of. But there's a certain danger lurking in the shadows, threatening everything I hold dear. I won't rest until my family is safe. I won't stop until I've annihilated every threat. Delilah is mine. The child she's carrying is mine...and I'll be damned if anyone takes them away from me.

To Stand in the Breach Danielle Grandinetti 2021-10-12 She came to America to escape a workhouse prison, but will the cost of freedom be too high a price to pay? 1933, Wisconsin - Large animal veterinarian Katy Wells takes her patients' welfare personally, so it's no surprise when she stands up to angry farmers planning a milk strike or takes in an injured draft horse to save its life. But after a visitor from the past discovers her location and reveals a threat, she must choose between her work and her freedom, and whether to trust a man to keep her safe. The Troop Nick Cutter 2014-02-25 WINNER OF THE JAMES HERBERT AWARD FOR HORROR WRITING "The Troop scared the hell out of me, and I couldn't put it down. This is old-school horror at its best." –Stephen King Once every year, Scoutmaster Tim Riggs leads a troop of boys into the Canadian wilderness for a weekend camping trip—a tradition as comforting and reliable as a good ghost story around a roaring bonfire. But when an unexpected intruder stumbles upon their campsite—shockingly thin, disturbingly pale, and voraciously hungry—Tim and the boys are exposed to something far more frightening than any tale of terror. The human carrier of a bioengineered nightmare. A horror that spreads faster than fear. A harrowing struggle for survival with no escape from the elements, the infected...or one another. Part *Lord of the Flies*, part *28 Days Later*—and all-consuming—this tightly written, edge-of-your-seat thriller takes you deep into the heart of darkness, where fear feeds on sanity...and terror hungers for more.

Breach of Trust DiAnn Mills 2010-10-13 2010 Christy Award winner! 2010 Inspirational Readers Choice Award winner! Paige Rogers is a former CIA agent who lost all she treasured seven years ago when her entire team was killed in a covert mission. She blames their leader—Daniel Keary—whom Paige believes betrayed them. Disillusioned and afraid for her life, she disappeared and started a new life as a small-town librarian. But when Keary announces his candidacy for governor of her state, he comes after Paige to ensure that she won't ruin his bid for office. He threatens everything she holds dear, and Paige must choose between the life of hiding that has become her refuge . . . Or risking everything in one last, desperate attempt to right old

wrongs.

Breach W. L. Goodwater 2018 The first novel in a new Cold War fantasy series, where the Berlin Wall is made entirely of magic. When a breach unexpectedly appears in the wall, spies from both sides swarm to the city as World War III threatens to spark. AFTER THE WAR, THE WALL BROUGHT AN UNEASY PEACE. When Soviet magicians conjured an arcane wall to blockade occupied Berlin, the world was outraged but let it stand for the sake of peace. Now, after ten years of fighting with spies instead of spells, the CIA has discovered the unthinkable... THE WALL IS FAILING. While refugees and soldiers mass along the border, operatives from East and West converge on the most dangerous city in the world to either stop the crisis, or take advantage of it. Karen, a young magician with the American Office of Magical Research and Deployment, is sent to investigate the breach in the Wall and determine if it can be fixed. Instead, she discovers that the truth is elusive in this divided city--and that even magic itself has its own agenda. THE TRUTH OF THE WALL IS ABOUT TO BE REVEALED.

Infraction K. I. Lynn 2019-05-10 My will to live is weak. By all accounts, I should be dead, but somehow I made it through. Broken, battered, and barely hanging on, I'm forced to rely on the man who destroyed me. Recovery is a long road, and I'm not sure I can take it by his side, so I punish him, refusing to grant forgiveness. But it's still there--the spark. That incessant pull that I can't escape. The deepest scars of our hearts spill out. All the secrets we kept locked away are laid bare. Everything is different. Time is running out. All the infractions are catching up to us.
The City & The City China Miéville 2009-05-26 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE LOS ANGELES TIMES,

THE SEATTLE TIMES, AND PUBLISHERS WEEKLY. When a murdered woman is found in the city of Beszel, somewhere at the edge of Europe, it looks to be a routine case for Inspector Tyador Borlú of the Extreme Crime Squad. To investigate, Borlú must travel from the decaying Beszel to its equal, rival, and intimate neighbor, the vibrant city of Ul Qoma. But this is a border crossing like no other, a journey as psychic as it is physical, a seeing of the unseen. With Ul Qoman detective Qussim Dhatt, Borlú is enmeshed in a sordid underworld of nationalists intent on destroying their neighboring city, and unificationists who dream of dissolving the two into one. As the detectives uncover the dead woman's secrets, they begin to suspect a truth that could cost them more than their lives. What stands against them are murderous powers in Beszel and in Ul Qoma: and, most terrifying of all, that which lies between these two cities. BONUS: This edition contains a The City & The City discussion guide and excerpts from China Miéville's Kraken and Embassytown.

Edge of the Breach Halo Scot 2020-01-08 We all become monsters at the edge of the breach. In a post-apocalyptic world where season of birth determines power -- spring healers, summer mages, fall shapeshifters, and winter shields -- a man and a woman emerge from tragic childhoods to lead humanity on opposite sides of an interrealm war. There is a hole in the sky. They call it the Rift. A portal to the gods. The scar of a suffering world. Through it, the gods rule the last scraps of civilization, harkening war. As chaos beckons, two leaders emerge from the ashes of a dying planet. Julian Kyder is the son of an abusive rape victim who compensates for his abandonment through psychopathy. Sira Rune is a cancer survivor who

dedicates her life to living free and fearless while experiencing the taboo and the unorthodox. Rune is the only one unafraid of Kyder, and that terrifies him, because he only knows how to function through fear. Even though she gives him more chances than he deserves, how much violence can she forgive? When is a person beyond redemption? While he struggles to control his demons and she struggles to find purpose, the gods drag the ruined world into war. Amazon #1 Top Free Bestseller LGBT SF Top 20 New Releases LGBT SF CONTENT WARNING: The Rift Cycle is a highly graphic series intended for mature audiences. She doesn't see me. Doesn't want me. Yet her blood runs through me, a river of pain. I call her mother, but she calls me nothing. She hopes to forget me. Hopes I will disappear. Conceived in violence, I am a constant reminder of the crime that made me. "Come," she orders me. Like a dog. And I jog at her heels, obedient. She won't use my name. It's a reminder I exist. The meaning behind it is empty, anyway. She refused to name me, so the hospital staff did. Julian Kyder -- Julian after the doctor who delivered me and Kyder after the hospital. Forever marked by the circumstances of my birth. She tried to abort, but I survived. She put me up for adoption, but no one took me. She tried to release me into the system, but they were already at overcapacity. We're trapped. Stuck together as two halves of misery. The doctor told me I am a miracle. She told me I am a curse. "This way." She leads me along the edge of the Shelf toward the market. With each step, my feet crunch along the parched gravel. To our left, cliffs drop hundreds of meters into

the Ruined Sea, a toxic cesspool that encircles the island. In the distance, Mount Erebus puffs ash into the blanching sky, a grandfather smoking the last bit of a cigar. We mutilated our world, bombarded the planet for centuries with nuclear weapons until we ran out of missiles, until Earth flipped upside-down. The only habitable continent is Antarctica, now the North Pole, and even here, the war melted the desolate wasteland into a scorching desert. Humans near extinction, huddled near the top of the planet like exiles. But we deserve it. Sweat trickles down my back. I pull my robe tight around myself, hoping to block out the sun. It's summer, so there's no respite from the heat. The days are endless. They bleed into each other like ink on a page, no distinction between the lines. Night won't come for another few months, and soon after it does, it won't leave till winter's done. Some call it balance. Day and night. Light and dark. Sun and stars. Birth and death. The Iliad Homer 1991-07-01 This translation of The Iliad equals Fitzgerald's earlier Odyssey in power and imagination. It recreates the original action as conceived by Homer, using fresh and flexible blank verse that is both lyrical and dramatic.

Breach of Promise Perri O'Shaughnessy 2000-01-07 Broken hearts. Broken promises. Deadly consequences. In glitzy Lake Tahoe, couples break up every day. But few are as successful as Lindy and Mike Markov, who built a \$200-million business together--before Mike took up with a younger woman. Now he's claiming he doesn't owe Lindy a dime since they never married. Attorney Nina Reilly, struggling to make a living in her one-woman office and

raise a young son alone, agrees to take Lindy's case. Nina knows winning is a long shot, even with a brilliant jury consultant and a palimony expert on her side. It's the kind of case--full of passion and explosive secrets--that could make a fortune for a young lawyer. Or drive someone to commit murder--for love, money . . . or the right verdict. New York Times bestselling author Perri O'Shaughnessy has created a wonderfully unique and unpredictable character in Nina Reilly, a tough, tenderhearted attorney and single mother who has been hailed by critics as "one of the most interesting heroines in legal thrillers today" (the San Jose Mercury News).

Model Rules of Professional Conduct American Bar Association. House of Delegates 2007 The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

Unto the Breach John Ringo 2006-12-01 Michael Harmon has been there and done that. Rescued co-eds, killed major terrorists, stopped nuclear assaults. Now he'd just like to kick back and relax with his harem of lovelies. Unfortunately, the world keeps turning. Mike and the

Keldara are back tracking down terrorists, rogue Russian bio-scientists and the doomsday weapon to end all doomsday weapons. It's going to take some very tough, hard and nasty people to stop the end of the world. Fortunately, there's Mike Harmon. The Hero of Ghost, Kildar and Choosers of the Slain, along with his company of elite mountain fighters, is sent on a mission to stop an advanced smallpox plague from being turned over to terrorists. But that will only be the beginning as the Kildar and his Keldara rush to stop a host of WMD attacks, coordinated to take out the very heartland of terrorism's enemies. It's a battle for culture, and this time the terrorists aren't aiming at just one building. At the publisher's request, this title is sold without DRM (Digital Rights Management).

Breach Annie Holmes 2016-08-01 breach - noun: An act of breaking or failing to observe a law, agreement, or code of conduct. A gap in a wall, barrier, or defence, especially one made by an attacking army. breach - verb: Make a gap in and break through (a wall, barrier, or defence). (Of a whale) rise and break through the surface of the water. 'The Jungle is like a laboratory.' In the refugee camp known as 'The Jungle' an illusion is being disrupted: that of a neatly ordered world, with those deserving safety and comfort separated from those who need to be kept out. Calais is a border town. Between France and Britain. Between us and them. The eight short stories in this collection explore the refugee crisis through fiction. They give voice to the hopes and fears of both sides. Dlo and Jan break into refrigerated trucks bound for the UK. Marjorie, a volunteer, is happy to mingle in the camps until her niece goes a step too far. Mariam lies to her mother back home. With humour, insight and empathy breach tackles an issue that we can no longer ignore. breach is the first title in the Peirene Now! series. This exciting new series will be made up of commissioned works of new fiction, which engage with the political issues of the day. In breach, the authors beautifully capture a multiplicity of voices - refugees, volunteers, angry citizens – whilst deftly charting a clear

narrative path through it all. Each story is different in tone, and yet they complement one another perfectly. Taken as a whole, this stands as an empathetic and probing collage, where the words 'home', 'displacement' and 'integration' come to mean many things as the collection progresses to a moving finale. Why Peirene chose to commission this book: 'I have commissioned Olumide Popoola and Annie Holmes to go to the Calais refugee camps to distil stories into a work of fiction about escape, hope and aspiration. On another level, however, this work will also take seriously the fears of people in this country who want to close their borders. It's that dialogue that isn't happening in real life. A work of art can help to bridge the gap.' Meike Ziervogel, publisher 'This is what fiction is for. These stories refresh difficult territory in ways that other writing cannot reach. Tender, tragic, funny (sometimes), persuasive.' Sara Maitland, writer

To Stand in the Breach Lliam Morgan 2015-09-08 In the steamy jungles of West Africa, a Marine Reconnaissance platoon races against time to save the lives of American citizens caught in a bloody civil war. One recon team arrives at a mission only to find they are too late. The missionaries had been burned to death while strung up crucifix style. Realizing that the rebels intend to kill all of the missionaries in the region, the Marines race through the jungle in an attempt to beat the rebels to another nearby mission before they can kill the missionaries there. The Marines arrive just in time to see the guerrillas enter the mission compound and begin

killing mission workers. The recon team opens fire and the situation escalates. They successfully push the rebels back into the jungle. Gathering the mission workers, including the mission's doctor, Ellen McKenzie, they flee into the jungle. While on the run, the hospital corpsman, Sean Austin, finds himself struggling with his feelings for the young missionary doctor. Traveling day and night they arrive at the platoon's harbor site. While waiting for helicopters to evacuate the Americans to a waiting ship, the group stumbles onto a large underground crypt left by an ancient civilization. A tropical hurricane forces the Americans to take shelter within the crypt; they discover it is actually a portal to another world. Transported to the middle of a lopsided battle, the group is forced to choose sides and fight against a huge medieval army. Once the great battle is over, the reality of this new world leaves the sojourners from earth conflicted and searching for answers about reality, God, and eternity. Sean is particularly conflicted about his life as a prodigal and his attraction to Dr. McKenzie. Into the Breach is a war of ideals, a war between living a good life and living an obedient life. Lliam Morgan takes the reader through adventure after adventure while unraveling our calling, not to be right, but to be obedient.

Big Breaches Neil Daswani 2021-06-02 The cybersecurity industry has seen an investment of over \$45 billion in the past 15 years. Hundreds of thousands of jobs in the field remain unfilled amid breach after breach, and the problem has come to a head. It is time for everyone—not just techies—to become informed and empowered on the subject of cybersecurity. In engaging and exciting fashion, Big Breaches covers some of the largest

security breaches and the technical topics behind them such as phishing, malware, third-party compromise, software vulnerabilities, unencrypted data, and more. Cybersecurity affects daily life for all of us, and the area has never been more accessible than with this book. You will obtain a confident grasp on industry insider knowledge such as effective prevention and detection countermeasures, the meta-level causes of breaches, the seven crucial habits for optimal security in your organization, and much more. These valuable lessons are applied to real-world cases, helping you deduce just how high-profile mega-breaches at Target, JPMorganChase, Equifax, Marriott, and more were able to occur. Whether you are seeking to implement a stronger foundation of cybersecurity within your organization or you are an individual who wants to learn the basics, *Big Breaches* ensures that everybody comes away with essential knowledge to move forward successfully. Arm yourself with this book's expert insights and be prepared for the future of cybersecurity. Who This Book Is For Those interested in understanding what cybersecurity is all about, the failures have taken place in the field to date, and how they could have been avoided. For existing leadership and management in enterprises and government organizations, existing professionals in the field, and for those who are considering entering the field, this book covers everything from how to create a culture of security to the technologies and processes you can employ to achieve security based on lessons that can be learned from past breaches.

Fish 'n Chips Christopher Tupa 2020-10-18 The creatures are loose! There has been a major containment breach at one of the SCP Foundation's top-secret facilities and a ton of monsters, creatures and weird things have escaped. To help capture all of the escapees, the Foundation has formed several teams to go and track them down. Martha, along with Rocky and Carter (Fish 'n Chips), are one of the new teams and this is their very first mission. Too bad it doesn't go according to plan, at all. Day one of their assignment is full of laughs, mystery, adventure and danger. Join Martha and her crew as they track down and capture escaped SCPs, while they try to stay alive in the process. Beyond the Breach Ed Brisson 2022-03 Life sucks for Vanessa. Her mother just died and her boyfriend is cheating on her (with her own sister!). To clear her mind, Vanessa is taking the California road-trip that she's been dreaming about for years. Her postcard-perfect drive through old growth forests quickly turns when THE BREACH hits. A bizarre anomaly in the sky plunges California into a nightmare-world populated with strange, extra-dimensional creatures. Now Vanessa, along with Dougie, an orphaned child, and Kai, a strange, fuzzball of a beast, must fight to survive if they ever hope to make it back home. If there's even a home to return to. Written by Ed Brisson (Uncanny X-Men, Ghost

Rider, Old Man Logan) and illustrated by Damian Couceiro (Old Man Logan, Iron Fist, X-Force), BEYOND THE BREACH is a fantastical sci-fi road trip adventure about perseverance and finding family in unexpected places.

State Responsibility for Breaches of Investment Contracts Jean Ho 2018-10-25 This book critically analyses the origins, the creation, and the evolution of an international law on investment contract protection.

Breach of Contract Oliver Hofmann 2021-02-11 "Efficient breach" is one of the most discussed topics in the literature of law and economics. What remedy incentivizes the parties of a contract to perform contracts if and only if it is efficient? This book provides a new perception based on an in-depth analysis of the impact the market structure, asymmetry of information, and deviations from the rational choice

model have, comprehensively. The author compares the two predominant remedies for breach of contract which have been adopted by most jurisdictions and also found access to international conventions like the Convention on Contracts for the International Sale of Goods (CiSG): Specific performance and expectation damages. The book illustrates the complexity such a comparison has under more realistic assumptions. The author shows that no simple answer is possible, but one needs to account for the circumstances. The comparison takes an economic approach to law applying game theory. The game-theoretic models are consistent throughout the entire book which makes it easy for the reader to understand what effects different assumptions about the market structure, the distribution of information, and deviations from the rational choice model have, and how they are intertwined.
