Epic Bike Rides of the World
Lonely Planet 2016-08-01
Lonely Planet: The world’s leading travel guide publisher
Discover 200 of the best places to ride a bike in this beautifully illustrated hardback. From family-friendly, sightseeing urban rides to epic adventures off the beaten track. Destinations range from France and Italy, for the world’s great bike races, to the wilds of Mongolia and Patagonia. These journeys will inspire - whether you are an experienced cyclist or just getting started. The book is organised by continent. In the Americas we join a family bikepacking trip in Ecuador; we pedal the Natchez Trace Parkway and stop at legendary music spots; we ride the Pacific Coast Highway in Oregon and California; go mountain biking in Moab and Canada; and explore the cities of Buenos Aires and New York by bicycle. European rides include easy-going trips around Lake Constance, along the Danube and the Loire, and coast-to-coast routes; routes in Tuscany, Spain and Corsica; and professional journeys up Mt Ventoux and around the Tour of Flanders. In Asia, we venture through Vietnam’s valleys; complete the Mae Hong Son circuit in northern Thailand; cross the Indian Himalayas; and pedal through Bhutan. And in Australia and New Zealand we take in Tasmania and Queensland by mountain bike; cycle into Victoria’s high country and around Adelaida on road bikes; and try some of New Zealand’s celebrated cycle trails. Each ride is illustrated with stunning photography and a map. A toolkit of practical details - where to start and finish, how to get there, where to stay and more - helps riders plan their own trips. There are also suggestions for three more similar rides around the world for each story. Each piece shows how cycling is a fantastic way to get to know a place, a people and their culture. About Lonely Planet: Started in 1973, Lonely Planet has become the world’s leading travel guide publisher with guidebooks to every destination on the planet, gift and lifestyle books and stationery, as well as an award-winning website, magazines, a suite of mobile and digital travel products, and a dedicated traveller community. Lonely Planet’s mission is to enable curious travellers to experience the world and to truly get to the heart of the places they find themselves in. TripAdvisor Travelers’ Choice Awards 2012, 2013, 2014, and 2015 winner in Favorite Travel Guide category ‘Lonely Planet guides are, quite simply, like no other.’ - New York Times ‘Lonely Planet. Cian Orr 2016-09-15
The story of how Australia’s Sydney Opera House was built, and the people who made it happen. Learn how they did it and see what materials they used in this real life building journey that kids who love to build in Lego and Minecraft will be thrilled to read.

Lonely Planet’s Global Beer Tour
Lonely Planet Food 2017-05-01
Explore the vibrant world of craft beer with Lonely Planet Global Beer Tour. We’ve selected some of the finest tap rooms, bars and breweries that thirsty travellers can visit in 30 countries around the world. Discover how to find them, which beers to sample, and learn about local places of interest with our recommended itineraries. Each country is introduced by a beer expert and includes regional beverages that shouldn’t be missed. There’s a world of great beer to taste - go and discover it! So why go beer touring, especially when it’s easy and cheap to find interesting craft beers in your local shop? Firstly, craft beer doesn’t travel too well and is affected by changes in temperature and long distances. And secondly, due to the explosion in small-scale breweries, many great beers aren’t distributed outside their city or region. Beer often tastes better the closer it is to home, especially if that’s straight from a tap in the actual brewery. The craft beer revolution has seen waves of breweries open up to the public, not just in the United States, the UK and Australia, where the trend is well established, but all over the world. Visit European beer capitals like Belgium, Italy and Germany, and sample local favourites in Canada, Australia and New Zealand. In Asia, explore hotspots in Japan, Vietnam and China, then venture to South America, Africa and the Middle East. Each brewery is accompanied by a selection of sightseeing ideas and activities, from local museums and galleries, to great hikes or bike rides. The book also features fun sections on beer trails, hangover cures and the world’s wildest beers. There’s also practical advice like how to ask for a beer in the local language and the ideal snacks to accompany your drink. About Lonely Planet: Lonely Planet is a leading travel media company and the world’s number one travel guidebook brand, providing both inspiring and trustworthy information for every kind of traveller since 1973. Over the past four decades, we’ve printed over 145 million guidebooks and phrasebooks for 120 languages, and grown a dedicated, passionate global community of travellers. You’ll also find our content online, and in mobile apps, video, 14 languages, 12 international magazines, armchair and lifestyle books, ebooks, and more, enabling you to explore every day. Lonely Planet enables the curious to experience the world fully and to truly get to the heart of the places they find themselves, near or far from home. TripAdvisor Travelers’ Choice Awards 2012, 2013, 2014, 2015 and 2016 winner in Favorite Travel Guide category ‘Lonely Planet guides are, quite simply, like no other.’ - New York Times ‘Lonely Planet. It’s on everyone’s bookshelves; it’s in every traveller’s hands. It’s on mobile phones. It’s on the Internet. It’s everywhere, and it’s telling entire generations of people how to travel the world.’ - Fairfax Media (Australia) Important Notice: The digital edition of this book may not contain all of the images found in the physical edition.

Utah’s Big Five National Parks
Harley McAllister 2017-10-23
All activities certified “kid tested” by the authors’ four rambunctious sons
Each includes best hikes, mountain bike routes, features to climb on, places to see wildlife, and more
Natural history learning opportunities also included
The parents of four boys, Harley and Abby McAllister have spent the last few years figuring out the best way to explore our national parks with restless kids in tow. These first two books in this new series help families plan their vacations in Yellowstone National Park and in Utah’s “Big Five” national parks (Arches, Canyonlands, Capitol Reef, Bryce Canyon, and Zion)—so that everyone has a memorable trip. With an easy to follow organization based on park geography, an emphasis on outdoor fun and education, and an approach that zeroes in on the very best options for families, each guide fully explores the national park it covers. Family-friendly hiking trails for a range of age and skill levels; major natural sights, ; the best wildlife viewing spots, including wildlife checklists for kids to mark off; fishing, biking, climbing, and rafting opportunities—and much more are all detailed. The guides also promote the popular Junior Ranger programming found throughout the National Parks system, as well as other park programs that appeal to kids. And they provide basics on access, trip planning, and overnight options from campgrounds to lodges to cabins.

The Best Things in Life are Free
Lonely Planet 2016-08-01

With so many travel guides and books for adults, from Lonely Planet to Rough Guides, these illustrated travel books are specifically for kids to enjoy learning about these countries in a fun and artistic way. Children’s Book / Kids Travel Book / Illustrated Travel Guide

Walks, Tracks and Trails of New South Wales
Derrick Stone 2012-10-01
For the first time in a single volume, this book brings together more than 140 of the best walks, tracks or trails in New South Wales, which can be walked by the moderately fit individual. They are located in national parks, coastal parks, state forests, conservation reserves, historic parks and local government and public easements. Other routes follow state highways, minor roads, coastal cliffs, old gold routes, or pass bushranger haunts and back roads linking towns and historical features. Most routes do not require specialist navigation or bushcraft skills, and vary in length from a 45-minute stroll to a 4-day, 65-kilometre camping trip. Walks, Tracks and Trails of New South Wales highlights the best the state has to offer, from an outback ghost town and ancient lake beds, to Australia’s highest mountain, coastal environments and World Heritage rainforests. Easy-to-interpret maps are included to help you navigate, and the book’s size makes it convenient to bring with you on your adventures.

Epic Drives of the World
Lonely Planet 2017-08-01
Buckle up for the next installment in our ‘Epic’ series and the follow-up to Epic Bike Rides of the World. Building on Nature
Rachel Rodríguez 2009-09-01
Inspired by the natural beauty of his homeland of Catalonia, Antoni Gaudi became a celebrated and innovative architect through the unique structures he designed in Barcelona, having a significant impact on architecture as it was known.

Singapore: World City
Kim Inglis 2014-02-18
With stunning photographs and insightful commentary this travel pictorial and Singapore travel guide captures the dynamism of a remarkable Pacific nation. In just a few short decades, Singapore has transformed itself from a tiny island off the coast of mainland Asia into a global superpower in banking, IT, education, biotech, transportation and many other fields. The fascinating story of how this tiny city-state which has no hinterland, no natural resources, and a relatively small population has achieved success is told in this book. Singapore’s history as a British colonial port, its dynamic multi-ethnic population, and its innovative governmental and social structures, are a part of the story. But there are others as well. How Singapore became a regional hub for finance, shipping and air travel, and now also for the arts, sport and leisure—are all showcased in dynamic detail, with over 300 full-color photographs to illustrate graphically how this small island functions like a well-tuned racing machine. Author Kim Inglis, a journalist and long-time local resident, leads the reader on a series of explorations through Singapore’s most notable districts and neighborhoods, explaining the growth and importance, and showcasing what they have to offer the visitor. Included are many lesser-known corners of the island which very few visitors ever get to see!
