*Memories* Theresa Douglas 2021-08-04 The author explains her life is full of good times and bad times, and how God and family and friends got her through the struggle. She mentions how it felt being the baby girl of the family and becoming a single mom. She lived in a house of six children with a mom and dad who worked hard all their lives to put food on the table. Her parents always stressed to her brothers and sister how important it was to work and save for the

future. She believes that writing this book made her realize that life is not always easy. However, putting things on paper gave her an opportunity to keep it real. She hopes this book would encourage others to begin to learn how to love, live, and forgive again.

**Don't Put Me In, Coach** Mark Titus 2013-03-12  
An irreverent critique of big-time NCAA basketball by the author of the popular Club Trillion blog describes how his ambition to become a doctor was sidelined so that that he could join the elite Buckeyes in spite of his lesser talents, which rendered him perpetually benched and ironically scouted by the Harlem Globetrotters.

*The View from the Dugout* William M Anderson 2009-06-26 "Somewhere, if they haven't been destroyed, there are hundreds of pages of typewritten notes about American League players of that era, notes which I would love to get my

hands on." -Bill James, in The New Bill James Historical Baseball Abstract, on the journals of Red Rolfe "Red Rolfe's journal for his years as manager of the Detroit Tigers is the kind of precious source researchers yearn for. In combination with William M. Anderson's well-done text, The View from the Dugout will be of great interest to general readers and of immense value to students of baseball history." -Charles C. Alexander, author of Breaking the Slump: Baseball in the Depression Era "Red Rolfe was one of baseball's most astute observers. This is 'inside' baseball from the inside." -Donald Honig,

author of Baseball America, Baseball When the Grass Was Real, and other books in the Donald Honig Best Players of All Time series "In his lucid journals Red Rolfe has provided an inside look at how an intelligent baseball manager thinks and prepares." -Ray Robinson, Yankee historian and author of Iron Horse: Lou Gehrig in His Time Baseball players as a rule aren't known for documenting their experiences on the diamond. Red Rolfe, however, during his time as manager of the Detroit Tigers from 1949 to 1952, recorded daily accounts of each game, including candid observations about his team's performance. He

used these observations to coach his players and to gain an advantage by recording strengths, weaknesses, and tendencies of opposing players and managers. Rolfe's journals carry added value considering his own career as an All-Star Yankee third baseman on numerous world champion teams, where he was a teammate of Lou Gehrig and Joe DiMaggio. Today, in the era of televised broadcasts, networks often wire a manager so that viewers can listen to his spontaneous comments throughout the game. Red Rolfe's journals offer an opportunity to find out what a manager is thinking when no one is around to

hear. William M. Anderson is Director of the Department of History, Arts and Libraries for the State of Michigan. His books include *The Detroit Tigers: A Pictorial Celebration of the Greatest Players and Moments in Tigers' History.*

**The Great Nowitzki: Basketball and the Meaning of Life** Thomas Pletzinger 2022-03-15 A journey into the mindset of a historic basketball superstar, and the importance of his landmark career. The seven-foot Dirk Nowitzki is one of the greatest

players in basketball history. The Dallas Maverick's legend revolutionized the sport, redefining the role of the big man in the modern game. Dirk moved differently: flexible and fast, confident and in control. He thought differently, too. On the court, his shots were masterful—none more venerated than his signature one-legged flamingo fadeaway, a move that lives on in the repertoire of today's most skilled NBA players. How did this lanky kid from the German suburbs become an all-time top ten scorer and NBA champion? How can a superstar stay so humble? Award-winning novelist and sportswriter Thomas

Pletzinger spent over seven years traveling with Nowitzki. He witnessed Dirk's summer workouts, involving fingertip pushups and the study of the physics, and spent days discussing literature and philosophy with Holger Geschwindner, Dirk's enigmatic mentor and coach. Watching Nowitzki in empty gyms and in packed arenas with 30,000 fans, Pletzinger began to understand how Dirk and Holger's philosophical insights on performance, creativity, and freedom enabled his success and longevity. The Great Nowitzki tells Dirk's dramatic story like never before. Pletzinger describes Dirk's youth in small-town Germany,

follows the steep learning curve of Dirk's early seasons, the devastating Finals loss to the Miami Heat, and the triumphant championship five years later. Traveling with Dirk in his final seasons, Pletzinger immerses himself in the community of people impacted by Nowitzki's game, interviewing everyone from average fans in Dallas and security guards at the arena to front office executives and Hall of Fame teammates, who reflect on what Dirk's career means to the next generation of ballplayers. And to the game itself. A masterpiece of sports writing that reads like a novel, *The Great Nowitzki* brims with a fan's

passion. Pletzinger shows how strongly basketball influences our imagination and the extraordinary journey an icon like Dirk Nowitzki must take to reach the pinnacle of the game.

### **The Best Show in Football** Andy Piascik

2010-10-16 For ten years the Cleveland Browns compiled a better record and won more championships than any team in pro football history. In their first game they set an all-time attendance record and consistently drew the largest crowds of the post-World War II era. They dominated an upstart league and then silenced their detractors by doing the same to the NFL.

The Browns were led by Paul Brown, a football visionary who changed pro football. Most important among his innovations was the leading role the franchise played in the integration of pro sports. While much of their competition continued with the racial exclusion of the past, the Browns featured some of the greatest black players of all-time, men who were an integral part of the Cleveland dynasty. The Best Show in Football: The 1946-1955 Cleveland Browns, Pro Football's Greatest Dynasty tells the story of those players and that dynasty. Included in that story is the construction of the Browns as well as accounts of

the team's many victories. Dozens of interviews bring to life the exploits of Otto Graham, Bill Willis, Marion Motley, Lou Groza, Mac Speedie, Len Ford, Dante Lavelli, Frank Gatski, and so many others. In rich detail, The Best Show in Football demonstrates why Cleveland's dynasty was the greatest ever, greater even than several teams that are usually accorded that honor. The conclusions may be surprising but the evidence is all here. And along the way author Andy Piascik provides a wonderful trip back to football's golden age.

*Marv Levy* Marv Levy 2012-01-14 The memoirs of the legendary Hall of Fame football coach—newly

updated to include Levy's recent turn as the Bill's General Manager.

Honorable Warrior Lewis Sorley 1998 A man of extraordinary inner strength and patriotic devotion, General Harold K. Johnson was a soldier's officer, loved by his men and admired by his peers for his leadership, courage, and moral convictions. Lewis Sorley's biography provides a fitting testament to this remarkable man and his dramatic rise from obscurity to become LBJ's Army Chief of Staff during the Vietnam War. A native of North Dakota, Johnson survived more than three grueling years as a POW under the

Japanese during World War II before serving brilliantly as a field commander in the Korean War, for which he was awarded the Distinguished Service Cross for "extraordinary heroism." The latter experiences led to a series of high-level positions that culminated in his appointment as Army chief in 1964 and a cover story in Time magazine. What followed should have been the most rewarding period of Johnson's military career. Instead, it proved to be a nightmare, as he quickly became mired in the politics and ordeal of a very misguided war. Johnson fundamentally disagreed with the three men—LBJ,

Secretary of Defense Robert McNamara, and General William Westmoreland—running our war in Vietnam. He was sharply critical of LBJ's piecemeal policy of gradual escalation and his failure to mobilize the national will or call up the reserves. He was equally despondent over Westmoreland's now infamous search-and-destroy tactics and reliance on body counts to measure success in Vietnam. By contrast, he advocated greater emphasis on cutting the North's supply lines, helping the South Vietnamese provide for their own internal defenses, and sustaining a truly legitimate

government in the South. Unheeded, he nevertheless continued to work behind the scenes to correct the nation's flawed approach to the war. Sorley's study adds immeasurably to our understanding of the Vietnam War. It also provides an inspiring account of principled leadership at a time when the American military is seeking to recover the very kinds of moral values exemplified by Harold K. Johnson. As such, it presents a profound morality tale for our own era.

**Basketball Junkie Chris Herren 2011-05-10 I was**

dead for thirty seconds. That's what the cop in Fall River told me. When the EMTs found me, there was a needle in my arm and a packet of heroin in the front seat. At basketball-crazy Durfee High School in Fall River, Massachusetts, junior guard Chris Herren carried his family's and the city's dreams on his skinny frame. His grandfather, father, and older brother had created their own sports legends in a declining city; he was the last, best hope for a career beyond the shuttered mills and factories. Herren was heavily recruited by major universities, chosen as a McDonald's All-American, featured in a Sports

Illustrated cover story, and at just seventeen years old became the central figure in Fall River Dreams, an acclaimed book about the 1994 Durfee team's quest for the state championship. Leaving Fall River for college, Herren starred on Jerry Tarkanian's Fresno State Bulldogs team of talented misfits, which included future NBA players as well as future convicted felons. His gritty, tattooed, hip-hop persona drew the ire of rival fans and more national attention: Rolling Stone profiled him, 60 Minutes interviewed him, and the Denver Nuggets drafted him. When the Boston Celtics acquired his contract, he lived the

dream of every Massachusetts kid—but off the court Herren was secretly crumbling, as his alcohol and drug use escalated and his life spiraled out of control. Twenty years later, Chris Herren was married to his high-school sweetheart, the father of three young children, and a heroin junkie. His basketball career was over, consumed by addictions; he had no job, no skills, and was a sadly familiar figure to those in Fall River who remembered him as a boy, now prowling the streets he once ruled, looking for a fix. One day, for a time he cannot remember, he would die. In his own words, Chris Herren tells

how he nearly lost everything and everyone he loved, and how he found a way back to life.

Powerful, honest, and dramatic, *Basketball Junkie* is a remarkable memoir, harrowing in its descent, and heartening in its return.
