Shit Just Got Real Executive Homeboy 2021-03-08 Born into the life of crime, James "Triple J" Johnson Junior, was exposed to the drug game at a young age by his father, becoming the youngest crime boss in the City of Atlanta. At age twenty-six, he took lead over the notorious black crime family, the Apes and Wolves, and within the first year, their business wealth grew so fast that they were forced to start counting money by the pounds. Before turning the first chair over, James Jay told his son, "It's always gone be a curve in the game somewhere, but the main thing I want you to always remember is to roll with the blows life throw at you." Triple J didn't understand what his father was saying until the day sh*t got real for him. Arrested and hauled away with felony murder charges, Triple J was forced into a place he dreaded to be, the Fulton Jail. When his Bond was denied and he was stuck on the inside, Triple J adjusted his seat belt for the roller coaster ride because he knew then that Shit Just Got Real.

Up South Robert Lashley 2017-03-28 Poetry. African & African American Studies. In UP SOUTH, his second book of poems, Robert Lashley has gone deeper into the rituals, folklore, and ceremonies of Black Tacoma. This is a book about cities within cities, where the present has roots in decades of history, and the evidence of things unseen still guides people's actions. In different forms, voices, and modes of rhetoric, Lashley paints complicated, moving pictures of environments, and people trying to survive in them.

Sound Clash C. Cooper 2004-09-14 Megawattage sound systems have blasted the electronically-enhanced riddims and tongue-twisting lyrics of Jamaica's dancehall DJs across the globe. This high-energy raggamuffin music is often dismissed by old-school roots reggae fans as a raucous degeneration of classic Jamaican popular music. In this provocative study of dancehall culture, Cooper offers a sympathetic account of the philosophy of a wide range of dancehall DJs: Shabba Ranks, Lady Saw, Ninjaman, Capleton, Buju Banton, Anthony B and Apache Indian. Cooper also demonstrates the ways in which the language of dancehall culture, often devalued as mere 'noise,' articulates a complex understanding of the border clashes which characterize Jamaican society, and analyzes the sound clashes that erupt in the movement of Jamaican dancehall culture across national borders.

La Haine (Mathieu Kassovitz, 1995) Ginette Vincendeau 2005

A Change Is Gonna Come Craig Werner 2021-07-20 ". . . extraordinarily far-reaching. . . . highly accessible." —Notes "No one has written this way about music in a long, long time. Lucid, insightful, with real spiritual, political, intellectual, and emotional grasp of the whole picture. A book about why music matters, and how, and to whom." —Dave Marsh, author of *Louie, Louie* and *Born to Run: The Bruce Springsteen Story* "This book is urgently needed: a comprehensive look at the various forms of black popular music, both as music and as seen in a larger social context. No one can do this better than Craig Werner." —Henry Louis Gates, Jr., W.E.B. Du Bois Professor of the Humanities, Harvard University "[Werner has] mastered the extremely difficult art of writing about music as both an aesthetic and social force that conveys, implies, symbolizes, and represents ideas as well as emotion, but without reducing its complexities and ambiguities to merely didactic categories." —African American Review *A Change Is Gonna Come* is the story of more than four decades of enormously influential black music, from the hopeful, angry refrains of the Freedom movement, to the slick pop of Motown; from the disco inferno to the Million Man March; from Woodstock's "Summer of Love" to the war in Vietnam and the race riots that inspired Marvin Gaye to write "What's Going On." Originally published in 1998, *A Change Is Gonna Come* drew the attention of scholars and general readers alike. This new edition, featuring four new and updated chapters, will reintroduce Werner's seminal study of black music to a new generation of readers. Craig Werner is Professor of Afro-American Studies at the University of Wisconsin, and author of many books, including *Playing the Changes: From Afro-Modernism to the Jazz Impulse* and *Up Around the Bend: An Oral History of Creedence Clearwater Revival*. His most recent book is *Higher Ground: Stevie Wonder, Aretha Franklin, Curtis Mayfield, and the Rise and Fall of American Soul*.

24-Carat Black's Ghetto: Misfortune's Wealth Zach Schonfeld 2020-11-12 In 1973, the musical collective 24-

Carat Black released an unheralded masterpiece on Stax Records—and then disappeared. *Ghetto: Misfortune's Wealth*, a soul-funk concept album primarily written by the ex-Motown arranger Dale Warren, was too bleak, ambitious, or just outright bizarre to reach mainstream audiences. 24-Carat Black collapsed when Stax went bankrupt, and the group's only completed album sank into cultural obscurity. With deep reporting elucidating an untold story full of cinematic details, this book traces how *Ghetto* went from commercial flop to enigmatic underground classic embraced by the hip-hop community. It also chronicles, in infuriating detail, how the music industry of the 1970s systematically exploited soul musicians and then left them struggling to get paid—and where 24-Carat Black fits into this broader injustice. This is a fascinating and multilayered story about a remarkable album nearly lost to history. It's also a rare glimpse into what it's like to have your music resurrected by rap samples decades after your career fell apart.

Listening to Poetry Jeremy Trabue 2019-09-01 Something sad happens between preschool and college: most of us unlearn our natural love of poetry, a love that is rooted in sound and surprise, pattern and play, discovery and delight. This book aims to reverse that tragedy. Based on fifteen years of teaching, and dedicated to the belief that rigor and accessibility are compatible, *Listening to Poetry* takes nothing for granted, and builds students' confidence and skills from the ground up. It uses innovative, student-centered, and process-based approaches, including practical how-tos and skill-focused exercises for every subject covered. Poems don't have to be approached like riddles to be solved, codes to be cracked, or prisoners to be interrogated. There is a better way, and it starts right here. Don't take our word for it, though. Listen to students who've read this book: "I need to give full appreciation to this book for my new-found love of poetry... I have found myself a new hobby." "Before this book I was overwhelmed by poetry and felt I would never be artistic enough to create or analyze it. Now I feel very comfortable... and am excited to continue my appreciation for the art." "I have found my love for poetry from reading this book. I have learned how to read poetry and how to understand it."

Homeboy Seth Morgan 2015-05-12 Seth Morgan's frenzied, addictive walk on the wild side of 1980s San Francisco When strip-joint barker Joe Speaker unwittingly steals a sixty-nine-carat blue diamond, he becomes enmeshed in a blackmail-and-murder conspiracy that begins with the savage slaying of high-priced call girl Gloria Monday. Suddenly Joe's a wanted man. Hunted by a murderous pimp known as Baby Jewels Moses and a relentless homicide cop named Tarzon, Joe ends up taking the rap and getting sentenced to three years. But it's in prison that the real trouble begins. An adrenaline-pumped, hallucinogenic descent into the lower depths, *Homeboy* is a tough, eye-opening look at San Francisco during the AIDS epidemic. Part memoir and part richly conceived work of imagination, this gritty, rambunctious novel reads like pure poetry and celebrates an uncommon talent at the height of his storytelling powers.

My Song Harry Belafonte 2011 The popular singer and former UNICEF Goodwill Ambassador shares the story of his life and career, from his impoverished childhood in Harlem and Jamaica and his racial barrier-breaking career to his commitment to numerous civil causes.

Home for Christmas Youth Study Book Justin Coleman 2018-09-18 Home for Christmas brings inspiring stories of hope and second chances into the Advent season. Author and pastor Justin Coleman matches real life stories of struggle and triumph to the Advent themes of hope, love, joy, and peace to show how the light of Christmas shines brightly even in hard times. Each chapter lifts up a scripture reflection alongside tales of men and women who reflect on the Advent themes with love and longing. Throughout each of the four

chapters and the accompanying DVD for a small-group experience, Coleman captures the stories of formerly incarcerated men and women as they find work and opportunity through Homeboy Industries in Los Angeles, California. These men and women share their holiday memories and experiences in light of the hope and new life they've experienced at Homeboy. This Youth Study Book takes the ideas presented in the book and interprets them for young people grades 6-12.

African Performance Arts and Political Acts Naomi Andre 2021-10-28 African Performance Arts and Political Acts presents innovative formulations for how African performance and the arts shape the narratives of cultural history and politics. This collection, edited by Naomi André, Yolanda Covington-Ward, and Jendele Hungbo, engages with a breadth of African countries and art forms, bringing together speech, hip hop, religious healing and gesture, theater and social justice, opera, radio announcements, protest songs, and migrant workers' dances. The spaces include village communities, city landscapes, prisons, urban hostels, Township theaters, opera houses, and broadcasts through the airwaves on television and radio as well as in cyberspace. Essays focus on case studies from Cameroon, the Democratic Republic of the Congo, Nigeria, Senegal, South Africa, and Tanzania.

The Convert's Song Sebastian Rotella 2014-12-09 A global manhunt sweeps up a former federal agent when his childhood friend becomes the chief suspect in a terrorist rampage. His hazardous stint in U.S. law enforcement behind him, Valentine Pescatore has started over as a private investigator in Buenos Aires. Then he runs into a long-lost friend: Raymond Mercer, a charismatic, troubled singer who has converted to Islam. After a terrorist attack kills hundreds, suspicion falls on Raymond -- and Pescatore. Angry and bewildered, Pescatore joins forces with Fatima Belhaj, an alluring French agent. They pursue the enigmatic Raymond into a global labyrinth of intrigue. Is he a terrorist, a gangster, a spy? Is his loyalty to Pescatore genuine, or just another lethal scam? From the jungles of South America to the streets of Paris to the battlegrounds of Baghdad, *The Convert's Song* leads Pescatore on a race to stop a high-stakes campaign of terror.

Songs in the Key of Fife Vic Galloway 2013-08-07 A look at the careers of several acclaimed Scottish musicians from Fife, from their early days to the highs and lows of the music industry, to today. The East Neuk of Fife, Scotland, may seem like an unusual place for a musical revolution, but as this firsthand account reveals, there is more to the sleepy fishing villages and rolling fields, and a small community of musicians has crept up on the world. From psychedelic troubadours the Beta Band to the Billboard chart star KT Tunstall, acclaimed singer-songwriter James Yorkston, and the reigning monarch and lynchpin of the Fence Collective, King Creosote, this book plots the unique, intertwining tales of these Fifers from their schooldays to the present day. This story, full of personal anecdotes and exclusive interviews, provides an in-depth look at a unique collective of musicians who have experienced the extreme highs and the desperate lows of the music business and how a craggy outpost on the east coast of Scotland had a role in crafting talented artists. Praise for *Songs in the Key of Fife* "DJ turned author Galloway does a superb job of documenting the lives of these artists, misfits and "heads," not least because he is a Fife lad himself." —Mojo (UK) "A remarkable insight into the pitfalls of the music industry . . . essential reading for any young musician in Scotland thinking about trying to make a go of it—not least for the rude awakening it may offer before their dreams are shattered. But it also shows how success can be achieved against seemingly insurmountable odds." —The Scotsman (UK) *Home Boy* George Pete Nelson 2020-11-08 Homeboy epitomizes the struggle of the author, George Pete Nelson, with that of Atlantic City (Queen of Resorts). The power resurgence of both entities is evident. Atlantic City is showing resiliency in its combat, and so is the author.

The Homeboy Songs Robert Lashley 2014-04-29 Poetry. THE HOMEBOY SINGERS is Robert Lashley's complex homage to the black community of Tacoma, Washington. As part of a Northwest population with people from the deep South and a survivor of the Hilltop gang wars of the early 90's, Lashley's poetry makes sense of the multitude of voices that have surrounded him over the years. His passion joins high lyric poetry burnished by narrative structure, with a language attuned to the ear and the complexities of the human voice.

The Oxford Handbook of Mobile Music Studies, Volume 2 Sumanth Gopinath 2014-03 The two volumes of *The Oxford Handbook of Mobile Music Studies* consolidate an area of scholarly inquiry that addresses how mechanical, electrical, and digital technologies and their corresponding economies of scale have rendered music and sound increasingly mobile-portable, fungible, and ubiquitous. At once a marketing term, a common mode of everyday-life performance, and an instigator of experimental aesthetics, "mobile music" opens up a space for studying the momentous transformations in the production, distribution, consumption, and experience of music and sound that took place between the late nineteenth and the early twenty-first centuries. Taken together, the two volumes cover a large swath of the world—the US, the UK, Japan, Brazil, Germany, Turkey, Mexico, France, China, Jamaica, Iraq, the Philippines, India, Sweden—and a similarly broad

array of the musical and nonmusical sounds suffusing the soundscapes of mobility. Volume 2 investigates the ramifications of mobile music technologies on musical/sonic performance and aesthetics. Two core arguments are that "mobility" is not the same thing as actual "movement" and that artistic production cannot be absolutely sundered from the performances of quotidian life. The volume's chapters investigate the mobilization of frequency range by sirens and miniature speakers; sound vehicles such as boom cars, ice cream trucks, and trains; the gestural choreographies of soundwalk pieces and mundane interactions with digital media; dance music practices in laptop and iPod DJing; the imagery of iPod commercials; production practices in Turkish political music and black popular music; the aesthetics of handheld video games and chiptune music; and the mobile device as a new musical instrument and resource for musical ensembles.

Touching on the celebrity culture of the 1980s and a90s and into the twenty-first century, you will read many shocking things about some of your favorite artists. Jesse Saunders is an artist whose influence on modern music will never be forgotten.

Green River Valley Robert Lashley 2021-06-17 *Green River Valley*, Robert Lashley's third poetry collection, is an unapologetic and harrowing look at gentrification, racism, and personal and collective loss in his hometown of Tacoma, Washington. With each poem, Lashley asks readers to bear witness to his lived experiences there and to honor the people, places and memories that shaped him alongside the city we know today. Lashley pulls no punches in this collection, which showcases his signature, rhythmic eloquence and acuity more than ever. His narrative threads expose hidden intimacies amid trauma and ambivalence in the face of institutionalized racism. Readers will leave this book asking, how do we build and honor a city's legacy, and what part did we take in that journey?

Home Boy H. M. Naqvi 2009-08-25 "Naqvi's fast-paced plot, foul-mouthed erudition and pitch-perfect dialogue make for a stellar debut." —Publishers Weekly (Starred Review) They are renaissance men. They are bons vivants. They are three young Pakistani men in New York City at the turn of the millennium: AC, a gangsta-rap-spouting academic; Jimbo, a hulking Pushtun DJ from the streets of Jersey City; and Chuck, a wideeyed kid, fresh off the boat from the homeland, just trying to get by. Things start coming together for Chuck when he unexpectedly secures a Wall Street gig and begins rolling with socialites and scenesters flanked by his pals, who routinely bring down the house at hush-hush downtown haunts. In a city where origins matter less than the talent for self-invention, the three Metrostanis have the guts to claim the place as their own. But when they embark on a road trip to the hinterland weeks after 9/11 in search of the Shaman, a Gatsbyesque compatriot who seemingly disappears into thin air, things go horribly wrong. Suddenly, they find themselves in a changed, charged America. Rollicking, bittersweet, and sharply observed, *Home Boy* is at once an immigrant's tale, a mystery, and a story of love and loss, as well as a unique meditation on Americana and notions of collective identity. It announces the debut of an original, electrifying voice in contemporary fiction. **Josephine Baker in Art and Life** Bennetta Jules-Rosette 2007 Beyond biography: a legendary performer's legacy of symbolism

Funk Rickey Vincent 2014-11-04 Funk: It's the only musical genre ever to have transformed the nation into a throbbing army of bell-bottomed, hoop-eared, rainbow-Afro'd warriors on the dance floor. Its rhythms and lyrics turned bleak urban realities inside out with distinctive, danceable, downright irresistible music. Funk hasn't received the critical attention that rock, jazz, and the blues have-until now. Colorful, intelligent, and in-your-face, Rickey Vincent's *Funk* celebrates the songs, the musicians, the philosophy, and the meaning of funk. The book spans from the early work of James Brown (the Godfather of Funk) through today, covering funky soul (Stevie Wonder, the Temptations), so-called "black rock" (Jimi Hendrix, Sly and the Family Stone, the Isley Brothers), jazz-funk (Miles Davis, Herbie Hancock), monster funk (Parliament, Funkadelic, Bootsy's Rubber Band), naked funk (Rick James, Gap Band), disco-funk (Chic, K.C. and the Sunshine Band), funky pop (Kool & the Gang, Chaka Khan), P-Funk Hip Hop (Digital Underground, De La Soul), funk-sampling rap (Ice Cube, Dr. Dre), funk rock (Red Hot Chili Peppers, Primus), and more. *Funk* tells a vital, vibrant history—the history of a uniquely American music born out of tradition and community, filled with energy, attitude, anger, hope, and an irrepressible spirit.

Boomer Linda Grant Niemann 2011-04-07 "A fascinating mix of fact, history, self-confession, self-accusation, and self-forgiveness—a diary of both emotional relationships and travel." —*Pasatiempo* This classic account of self-discovery and railroad life describes Linda Grant Niemann's travels as an itinerant brakeman on the Southern Pacific. Boomer combines travelogue, Wild West adventure, sexual memoir, and closely observed ethnography. A Berkeley Ph.D., Niemann turned her back on academia and set out to master the craft of railroad brakeman, beginning a journey of sexual and subcultural exploration and traveling down a path toward recovery from alcoholism. In honest, clean prose, Niemann treks off the beaten path and into the forgotten places along the rail lines, finding true American characters with colorful pasts—and her true self as well. "Ma[kes] the railroad experience come alive with all its grit, danger, romance, and general outrageousness . . . Possibly the finest book I've ever read about the actual experience of working on the railroad." —*Trains Magazine* "Niemann has a taut, lyrically restrained but vividly descriptive style, with an observational vigilance befitting a brakeman's mindset, and her narrative clips along like a boxcar rolling through the yard." —*Bloom Magazine* "A remarkable adventure tale, the occupational odyssey of the Ph.D. in literature who immerses herself in blue-collar America." —*Library Journal*

Popular Music and Film Ian Inglis 2003 The growing presence of popular music in film is one of the most exciting areas of contemporary Film Studies. Written by a range of international specialists, this collection includes case studies on *Sliding Doors*, *Topless Women Talk About Their Lives*, *The Big Chill* and *Moulin Rouge*, considering the work of populist musicians such as the Beatles, Jimi Hendrix and Sting. Contributors to the volume include Robb Wright, Lesley Vize, Phil Powrie, Anno Mungen, Anaheid Kassabian, Lauren Anderson, Antti-Ville Karja, K. J. Donnelly, Lee Barron, Melissa Carey Michael Hannan and Jaap Kooijman.

Ebony 1992-01 EBONY is the flagship magazine of Johnson Publishing. Founded in 1945 by John H. Johnson, it still maintains the highest global circulation of any African American-focused magazine. *My Song (Enhanced Edition)* Harry Belafonte 2011-10-11 This deluxe eBook edition of Harry Belafonte's remarkable memoir includes nearly eighteen minutes of original video—Mr. Belafonte talking about his first meeting with Martin Luther King, Jr. . . . his friendship with Sidney Poitier . . . the making of "We Are the World" . . . and much more—the bonus song "Jump in the Line" from the companion album *Harry Belafonte—Sing Your Song: The Music*; and the book's photographs compiled as a slide show. Harry Belafonte is not just one of the greatest entertainers of our time; he has led one of the great American lives of the twentieth and twenty-first centuries. Now, at last, this extraordinary icon tells us about it all—his poverty-ridden childhood in Harlem and Jamaica; his meteoric rise to become one of the world's most popular singers, breaking down racial barriers that no one had broken before, achieving equal popularity with white and black audiences; his lifelong, passionate involvement at the heart of the civil rights movement and countless other political and social causes. Along the way he's befriended many beloved and important figures in both entertainment and politics—Paul Robeson; Eleanor Roosevelt; Sidney Poitier; John F. Kennedy; Marlon Brando; Martin Luther King, Jr.; Robert Kennedy; Nelson Mandela; Fidel Castro—and writes about them with the same exceptional candor and insight with which he reveals himself on every page. As both an artist and an activist, Belafonte has touched the lives of countless men and women. With *My Song*, he has found yet another way to entertain and inspire us. It is an electrifying memoir from a remarkable man.
